

Did you know?*

- Identity theft has been first on the Federal Trade Commission's list of consumer complaints for 10 consecutive years.
- The number of identity theft victims rose to 11.1 million in 2009—nearly 5% of the U.S. adult population—with a new victim every three seconds. This is up 11% since 2008, an increase of 37% since 2007.
- Total annual fraud costs increased by 12.5% to \$54 billion in 2009. This is over three times greater than the total annual losses of \$17.2 billion for all property crimes. This translates to a \$5,000 average cost per fraud victim.
